Unless otherwise indicated herein, one copy of each reference is attached. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. The filing of this information disclosure statement shall not be construed as an admission that the information cited is prior art, or is considered to be material to patentability as defined in 37 C.F.R. § 1.56(b). It is believed that no fees other than those indicated below are due, but authorization is hereby given to charge any additional fees due, or to credit any overpayment, to deposit account 11-0600.

U.S. patents cited for which copies are not provided were cited in parent applications 09/553,234, 09/418,752, and 09/304,051, which are relied on for an earlier effective filing date. Accordingly, the Applicant is not required to provide copies. 37 CFR 1.98(d)(1).

A substantial number of the foreign references copies of which are provided herewith were also cited in parent applications 09/553,234, 09/418,752, and 09/304,051, and it is noted that under 37 CFR 1.98(d)(1), the Applicant is not required to provide copies. Nevertheless, copies of these foreign references are provided herewith for the convenience of the Examiner.

Other references, both U.S. patents, foreign patents and other information, copies of which are provided herewith, were cited in related U.S. or foreign applications. Accordingly, copies of the associated foreign search reports and forms 1449 are further provided herewith in compliance with 37 CFR 1.98(a)(2)(ii).

Copies of related co-pending applications have not been provided as these are available via the Office IFW system.

The Examiner is invited to contact the undersigned at (202) 220-4323 to discuss any matter concerning this application. The Office is authorized to charge any fees under 37 C.F.R. 1.16 or 1.17 related to this communication to Deposit Account No. 11-0600.
